LIN NAY WUN

Aspiring Full-Stack Developer

About

Experienced in Mobile and Front-End Web Development, with a strong background in delivering user-centric applications. Seeking an Entry-Level Full-Stack Developer role to expand backend proficiency and transition core development skills into related IT fields, including UI/UX, Data, Security, QA, and AI. Driven to contribute value and continuously integrate new technologies in a cross-functional environment.

Work Experience

IT Support & Web Developer (Intern) - Aug 2025 - Nov 2025

PT PCBA Semiconductor International - Jakarta, Indonesia

- Designed and coded major UI/UX components for the CV Lulus website (Homepage, Dashboard, Template Selection, FAQ, Account) using Figma and HTML, CSS, JavaScript, React and Next.js.
- Drove front-end development, managing key user flows from design through deployment, ensuring visual consistency and responsiveness.

HR Assistant/Business

Development Assistant (Intern) - Feb 2022 - May 2022

Garranto Executive Search - Singapore

- Skilled at identifying suitable candidates for the clients
- Responsible for collecting potential CVs and arranging interviews between interviewers and interviewees
- Reviewed hundreds of potential candidates within 1 month
